About Me

Manage and interact with groups of people. I can take a leadership position, be a team player, and take responsibility for the result;

Ability to work with information and people: create new content; study, analyse and systematise information;

Analytical thinking and the ability to formulate your own opinion and position;

Developed communication skills. easy to establish contacts with different people;

Organisational skills. I have experience in organising people to achieve goals and objectives;

I can teach and learn. I can adapt well to new conditions and team.

Skills: fluency in Ukrainian, English, Russian, Polish;

Personal qualities: responsible, independent, self-motivated.

Attentive, insightful, open to new things.

I consider decency and honesty to be the main qualities in my relationships with people.
