- <https://rem-s.com/>

Experience

Junior Front-end developer | **Remote Helpers**

January 2022 - [current time]

My responsibilities included creating internal SPA projects, mainly using HTML5, CSS3 (Sass), JavaScript(ES6+), ReactJS, Php, Wordpress (using the SFTP protocol), and interacting with the backend using NodeJs (Strapi).

Education

September 2018 - June 2022

National University of Food Technologies (NUFT), Kyiv - bachelor's degree
