

ANDRII DROBOTYUK

FULL STACK DEVELOPER

SUMMARY

I graduated from GO-IT with a specialization in FullStack Developer. During my long studies, I gained excellent practical experience by writing projects.

I am only at the beginning of my IT career, but I already have a lot of qualities that contribute to my professional development. I know how to work in a team and find a compromise, I am disciplined and stress-resistant, attentive and responsible. I am not afraid of the new, because everything new gives us a way to develop!
