## Profile

Hi! I'm 28 years old motivated UI/UX design student with interior design experience, based in Lviv, Ukraine. I love creating simple and aesthetically pleasing websites that are easy to use. I'm currently enrolled in the Projector Design Institute courses and constantly seeking out new challenges and opportunities to improve my skills and grow as a designer.

## Experience

### Maletych Design Studio (interior designer)

*June 2022 - Present*

These experiences have allowed me to develop teamwork skills, such as communicating effectively with team members and stakeholders providing regular updates on progress and addressing any issues that arose.

### Ty Vdoma Interior Design (freelance, self-employed)

*March 2019 - Present*

I collaborated closely with clients to understand their needs and preferences. Developed strong communication skills to present ideas and designs to clients. Managed projects from start to finish, ensuring that they were completed on time and within budget.

### Book illustration (Upwork)

*June 2018 - November 2019*

I had the opportunity to work with a USA-based client on a book illustration project and gained valuable experience in remote work and communication.

## Education
