Education

Bachelor, LNPU (2)

September 2021 - June 2025

I study at the Department of Applied Mathematics and Informatics with an additional course in business analysis and business planning 2nd year

Hobbies

Three years ago I graduated from the Lviv School of Arts number 8 (8 years of study), from the piano, composition and vocal course.

Also I graduated from psychology courses on communication with people and relationships between people in order to better understand the needs and expectations of the client and the ability to choose an approach to different types of people's character.
