Zhytomyr, Ukraine

Ready to work remotely, full-time

Can work in the cases of blackouts

SUMMARY

Strong-motivated Front-end developer with practice in web technologies (JS/TS/HTML/CSS stack). Have strong knowledge of JS frameworks (React.js, Vue.js). Open-minded and ready to learn new technologies. Offering a strong attention to details and accuracy, good problem-solving skills, and the important ability to work in fast-paced team environments. Able to effectively self-manage during independent projects, as well as collaborate in a team setting. Familiar with popular dev tools. Have good analytical skills. Aiming at creating high-performance responsive websites and web apps.

I speak English at an intermediate level and have a technical education in the specialty of Construction engineering.
