

## Karina Mazneva

UI/UX Designer

### Profile

I'm Karina , a talented, ambitious UI/UX designer .  
I have experience of working in a team, as well as making presentations and defending projects .

Punctual and always responsible approach to work , able to pay attention to details and find an approach to clients . I can develop creative and functional UX/UI designs, web page layouts, design systems, landing pages, CRM/LMS systems and apps according to specific customer requirements.

My level of English is C1, which allows me to communicate freely with foreign companies. I also successfully completed UI/UX courses and **have 4 projects**.

If you are interested in my resume, I will be happy to complete a test task to demonstrate my skills in practice.
