## Додаткова інформація

Hi:) My name is Olesya. I am 22 years old and I'm looking for an interesting job! I have an experience in different jobs. My first job was as a customer support in Norwegian airline (Webhelp), so my major task was to help people with many different tasks. I think this job taught me how to be patient and responsive to the people:) Now, I'm working as an It support engineer in Ciklum (It-company), but want to change my job, and looking for a something interesting for me. My acquired skills are ability to learn quickly, stress resistance, always ready to study a new information.

Finally, want to say I'm ready always improve my skills and experience, work with excellent people , from my side I'm very friendly, responsible, accurate to the details, with good sense of humor and I wait for your answer to my request:) I'll be very glad to cooperate with you!
