

KRAVETS VADYM

FRONT - END DEVELOPER

ABOUT

I'm 27 years old. I'm a highly motivated and dedicated software developer in the web development industry. I have a strong foundation in HTML, CSS, JS and I am eager to continue improving my skills in the field. I have experience working on web-based projects and have a good understanding of web development principles and best practices. I'm a team player with strong problem-solving and analytical skills, as well as excellent written and verbal communication skills.
