

# Maksym Fedas

## ABOUT ME

I'm 21 years old and I'm from Ukraine, Dnipro city. I'm purposeful, human being, kind, responsible. I like learn new things and improve my skills. I have been working as a web designer since 2016. Since 2018 I have been working in depth in the field of UI/UX. During my work, I have long-term cooperation with private clients and web studios. Among my completed projects: design for SaaS platforms, admin panels, programs, multi-page sites, corporate sites, applications and startups. Now I'm looking for a studio where we can create great products for clients together.
