Full-stack Developer

Mykhailo Fysiuk

I am from Ukraine and I`m 23 years old. I registered by \$24 and I have possibility to work. Now I`m studying for Full-stack Developer. I`m studying English too because I want to make it better. After consolidating my level of English, I will move on to learning German. So, I`m studying everyday without days off, weekends and holidays. Day by day I spend time to learn IT and English, I`m working hard on it and moving at breakneck pace.
