Professional profile

I studied Author’s course on web design
"Designer from scratch" July-September 2022.

- Gained knowledge and practice:
- UI/UX design basics and fundamentals
- Responsive design
- Designer workflow management
- Creatives for social media basics
- No-code frontend on Readymag
- Keys in building relations with client
from Brief to final result
- Designed and launched 3 responsive
websites on Readymag

- After the course
- I keep on learning more about UI/UX design, Figma
proficiency and making Animation. I constantly practice
and created 9 projects for different niches, they are unique
and not similar to each other. With each new project, I use
interesting design solutions and enhancing as an expert to
create an attractive and user-friendly design. While
designing, I follow the idea from the good quote "There are
no obstacles on the way to your goal if you love what you
do!".
