OBJECTIVE

I'm seeking a part time job as a translator. Determined, motivated and responsible, with great attention to details. I specialized in Scientific and Technical Translation (English). I am a persistent and curious person, as well as a fast learner, willing to develop and achieve set goals.

LANGUAGES

Ukrainian - Native
Russian - Native
English - Advanced
Korean - Pre-intermediate
German - Elementary
French - Beginner

EDUCATION

V. N. Karazin Kharkiv National University

Philology Department
Bachelor's Degree in Applied Linguistics and English (2019-2023)

EXPERIENCE

School teacher of English | 2023, February

Teaching practice at Kharkiv University Lyceum provided by the university, 6-B class

Fansub Group "Chornyy veres" | 2022-present

My responsibilities as a translator and sub-maker there include translating Korean dramas through English subtitles, using some knowledge of Korean, as well as designing and embedding subtitles into videos.
