

# Uliana Shevchenko

UI/UX Designer

## PROFILE

08.12.2003, Kremenchuk, Ukraine.

Skilled in wireframing and prototyping, dedicated to understanding user needs and crafting intuitive interfaces.

Detail-oriented and driven to contribute to compelling user experiences that resonate with audiences.

Eager to learn and apply design principles in a professional setting.

## EXPERIENCES

Throughout the course, I immersed myself in a variety of design principles and methodologies, including user research, wireframing, prototyping, and user testing.

I am familiar with the principles of building an online store, marketplaces, landing pages, and responsive design.
