ADDRESS

Ukraine - Lviv

PROFILE

As a Motion Designer, I have extensive experience in creating and animating a wide range of digital content, including infographics, logo animations, loop animations, explainer videos, call-outs, intros, outros, kinetic typography, tracking, word animation, shape animation, and much more.

Additionally, I am highly proficient in incorporating sound elements to enhance the overall visual impact of my work. My diverse skill set enables me to effectively deliver compelling and engaging motion graphics content to meet my clients' specific requirements.

WORK EXPERIENCE

Motion designer 2022 - present

Over the past year, I have gained valuable experience working on Fiverr, where I have been actively engaging with English-speaking buyers. I possess excellent communication skills, which have enabled me to effectively understand and respond to buyers' needs and expectations. Furthermore, I am a highly self-organized individual with a strong ability to work efficiently under strict deadlines.

MY SKILLS

Adobe After Effects

Adobe Premiere Pro

Adobe Illustrator
