About Me

I`m 24 years old, have been learning Front-End technologies for 5 months. For Last 2 years i have been working as a seo-specialist, I have successful projects, 2 years of constant team work with project managers, clients, teammates and programmers.

Experience

Mar 2021 - April 2023

Seo-specialist

Raskrutka

Here i learned how to work with a team and manage projects on my own, deal with clients, make reports, take responsibility and face the music. My duties were:

- Making tech analyses of sites.
- Creating strategies for site promotion in Google.
- Making tasks for programmers, copywriters.
- Speaking with clients.
- Making reports every month about what have been done.

Used services: Google Analytics, Tag Manager, Google Documents, PageSpeed etc.
